COMMENTS:

The information is presented as requested by the Asilomar Accords. This means that if an animal comes in treatable or unhealthy it remains in the category in this report, even if the Charlottesville-Albemarle SPCA has made the animal healthy prior to its adoption. Accordingly, most of the animals listed in adoption category for Treatable Rehabilitatable or Unhealthy were actually Healthy at the time they were adopted out by the Charlottesville-Albemarle SPCA. The collection and publication of this data is sponsored by Maddie's Fund®, www.maddiesfund.org.
