The Charlottesville-Albemarle SPCA Joins Best Friends Animal Society National February Pet Adoption Promotion

Charlottesville, VA— Right now the perfect pet is ready to add a little love to your life. This Valentine's Day, brighten your world by adopting one of the Charlottesville-Albemarle SPCA's deserving rescued pets. From February 1st to February 14th, all adult cats are only a \$14 adoption fee and FIV cats are always free!

The CASPCA is joining national animal welfare organization Best Friends Animal Society, along with animal rescue groups and shelters across the country, in the "Give Love" annual animal adoption campaign starting Feb. 1 and running through Feb. 14, 2017.

"For an adoption fee of \$14 you can add some love to your life by bringing home a furry friend your whole family will love," said Angie Gunter, director of advancement.

"Give Love to homeless pets this February by providing your new pet with a place and family to call their own. The CASPCA is dedicated to bringing great families together with the pets we rescue," said Gunter. "We have loving cats that are eager to prove how awesome rescued pets are."

The Charlottesville-Albemarle SPCA is an active partner in Best Friends No More Homeless Pets® Network which offers help and support to animal rescue groups that save lives in their communities.

"Every day some 9,000 animals are killed in our nation's shelters simply because they don't have a home. When you choose to adopt you not only save that animal's life, you create the space to help us save more homeless pets in our community,"

said Gunter. "We are proud to partner with Best Friends on this "Give Love" February adoption promotion. We really believe together we can save them all."

About Best Friends Animal Society®

Best Friends Animal Society is the only national animal welfare organization dedicated exclusively to ending the killing of dogs and cats in America's shelters. A leader in the no-kill movement, Best Friends runs the nation's largest no-kill sanctuary for companion animals, adoption centers and spay and neuter facilities in Los Angeles and Salt Lake City as well as lifesaving programs in partnership with more than 1,600 rescue groups and shelters across the country. Since its founding in 1984, Best Friends has helped reduce the number of animals killed in American shelters from 17 million per year to an estimated 4 million. By continuing to build effective initiatives that reduce the number of animals entering shelters and increase the number who find homes, Best Friends and its nationwide network of members and partners are working to Save Them All®.
